Dear Sir:

RENEWED PETITION UNDER 37 CFR § 1.137(b)

In response to the Decision of the Office of Petitions mailed on December 16, 2009, having a period for response expiring February 16, 2010, please reconsider the Petition for reasons discussed below. Although Petitioner believes there are no fees due in connection with this renewed petition since the required fees have been paid with the petition filing of October 22, 2009, the Commissioner is hereby authorized to charge counsel's Deposit Account No. 20-0782/BRYN/0009/WBP for any other fees, including extension of time fees, required to make this submission timely and acceptable to the Office.

Remarks begin on page 2 of this paper.

REMARKS

The decision states that the petition filed on October 22, 2009 was improperly signed in that the petition was signed by only one of the two listed inventors (Jan Ove Gderde). In response, Applicants are submitting this renewed petition as a request for reconsideration and a petition form PTO/SB/64 signed by the other inventor (Khoi Tien Vu). The other required documents for the petition have been submitted on October 22, 2009 and are incorporated by reference as part of this renewed petition.

Conclusion

In view of the attached and previously submitted documents, Applicants respectfully request a decision to grant the petition and revival of this application.

Respectfully submitted,
